EXHIBIT A

Exhibit A contains the Letter of Intent by and between Alpha Broadcasting, Inc. ("Alpha") and Mario Loredó ("Loredó"), and the documentation to support the purchase price for the assignment of the construction permit for FM broadcast station KZQD at Liberal, Kansas. The purchase price of \$4,000.00 for the acquisition of the permit does not exceed the expenses legitimately and prudently expended by the Assignor, Alpha, for the preparation, filing and advocacy of the grant of its application for station KZQD, and for other steps reasonably necessary toward placing the station in operation. These expenses are reimbursable pursuant to Section 73.3597(c)(3)(ii) of the Commission's Rules. The documentation contained in this Exhibit reflects those expenses.

Exhibit A also contains declarations pursuant to Section 73.3597(c)(3)(i) and Section 73.3535 of the Commission's Rules.

LETTER OF INTENT

Alpha Broadcasting, Inc. ("Alpha"), the permittee of FM radio broadcast station KZQD, Liberal, Kansas, and Mario Loredo hereby enter into this Letter of Intent in order to memorialize their agreement with respect to the purchase of the FCC authorization and associated assets of KZQD.

1) Mr. Loredo agrees to reimburse Alpha for its expenses incurred in connection with the acquisition of the FCC authorization for KZQD up to a maximum of Four Thousand Dollars (\$4,000.00).

2) Upon execution of this Letter, Mr. Loredo will deposit with the law firm of Arter & Hadden, who shall serve as escrow agent, the sum of Two Thousand Dollars (\$2,000.00), to be distributed to Alpha if and when the parties consummate this transaction. If the parties do not consummate the transaction, unless the failure to consummate is due to Mr. Loredo's unwillingness or inability to go forward, the deposit will be returned to Mr. Loredo. Mr. Loredo knows of no reason why he will be unable or unwilling to consummate this transaction, including any reason why the FCC would not grant its approval for the assignment of the permit to Mr. Loredo.

3) At the closing of this transaction, Mr. Loredo will remit to Alpha the remaining Two Thousand Dollars (\$2,000.00) towards the purchase price.

4) Both parties shall cooperate in the preparation and filing of any necessary FCC applications and related documents. Both parties agree that this transaction is subject to the receipt of prior FCC approval for the assignment of the permit for KZQD, and will use their good faith best efforts to acquire that approval.

5) The parties will close on this transaction Forty Days (40) following the grant of FCC approval for the assignment of the permit, unless the parties mutually agree to consummate the transaction sooner.

WHEREFORE, both parties hereby execute this Letter of Intent in counterparts with the intent to be bound by its terms.

Re: Sale of Permit for KZQD, Liberal, KS

To Whom It May Concern:

In connection with Alpha Broadcasting, Inc.'s sale of the construction permit for FM radio station KZQD, Liberal, Kansas to Mario Loreda for a total purchase price of \$4,000, I have reviewed this firm's billing records to determine the amount of fees and expenses Alpha has incurred to date in preparing, filing and advocating its application for KZQD. I have determined that this firm's fees and expenses directly related to the preparation and filing of the Liberal application, to preparing and advocating the petition for rulemaking which led to the Report and Order, MM Docket No. 92-149, RM-8023 amending the Table of Allotments to substitute Channel 286C1 for Channel 286C2 at Liberal, and to the preparation and filing of the extension of permit request, were well in excess of \$2,000.00. These fees and expenses, coupled with the filing fee of \$2030.00 which Alpha paid when it filed the initial application (see copy of fee filing form and check attached), bring Alpha's expenses in connection with this matter well above the \$4,000 purchase price.

If a more detailed description of time entries and amounts are needed, I would be happy to provide that information.

Respectfully submitted,

Gerald Stevens-Kittner

DECLARATION

Pursuant to Section 73.3535(b) of the Commission's Rules, Alpha Broadcasting, Inc. ("Alpha"), the permittee and proposed assignor of FM broadcast station KZQD, Channel 286, at Liberal, Kansas (the "Station") hereby states as follows:

On April 7, 1993, the Commission granted Alpha's request for an extension of the completion of construction deadline, File No. BPH-901111MC.

On October 26, 1992, the Commission released a Report and Order, MM Docket No. 92-149, RM-8023, amending the Table of Allotments, Section 73.202(b) of the Commission's Rules, to substitute Channel 286C1 for Channel 286C2 at Liberal, Kansas. The Report and Order amended the Table of Allotments accordingly, effective December 10, 1992, and directed Alpha to file a minor modification of construction permit application within 90 days of the effective date of the Report and Order.

On March 10, 1993, Alpha filed a request for additional time to file a minor modification of construction permit specifying the Channel 286C1 facilities. Until the ownership of KZQD, pursuant to this application, is resolved, Alpha requests that the Commission continue to maintain the status quo with respect to the Report and Order.

EXHIBIT B

Alpha Broadcasting, Inc. ("Alpha") soon plans to file an Application for Consent to Assignment of Broadcast Station in order to effectuate the assignment of the license for FM commercial station KTCM, Kingman, Kansas licensed to Alpha.

The Commission also granted a Petition for Rulemaking filed by Alpha with respect to KZQD. See Report and Order, Amendment of Section 73.202(b), Table of Allotments, RM-8023, MM Docket No. 92-149, released October 26, 1992.

On March 10, 1993, Alpha filed an extension request with respect to the due date for the filing of a minor modification application to effectuate the upgrade authorized in the Report and Order.

EXHIBIT C

Under the ownership of Mario Loreda, KZQD(FM) will offer high quality programming targeted at the local Hispanic community. Programming will include news, public affairs, children's programming and other programs of interest to the local Spanish-speaking and migrant farm worker community in and around Liberal, Kansas. Mr. Loreda believes there is presently an unmet need for programming responsive to the Spanish-speaking community in and around Liberal.

EXHIBIT D

Alpha Broadcasting, Inc. ("Alpha"), permittee of FM broadcast station KZQD, Liberal, Kansas and applicant for consent to assign the permit to Mario Loredó ("Loredó"), hereby makes the showing required by Section 73.3535(b) of the Commission's rules.

In the Report and Order, Amendment of Section 73.202(b), Table of Allotments, RM-8023, MM Docket No. 92-149, released October 26, 1992, the Commission granted Alpha's petition for rulemaking which requested that Channel 286C1 be substituted for Channel 286C2. The Report and Order amended the Table of Allotments accordingly, effective December 10, 1992, and directed Alpha to file a minor modification of construction permit application within 90 days of the effective date of the Report and Order, or March 10, 1993. On March 10, 1993, Alpha filed a Request for Extension of Time to file the minor modification of construction permit application because, as explained in the Request, Alpha and Mario Loredó were in the process of considering Loredó's interest in the facilities. Both parties needed additional time to reach informed judgments about the direction each party wished to take with respect to the station. The Request remains pending.

Due to the discussions regarding the assignment of the permit and the uncertain status of the upgrade, it has not been practical for Alpha to commence construction of its facilities.

Request for Extension of Time

Alpha Broadcasting, Inc., the permittee of FM station KZQD, Channel 286, Liberal, Kansas, hereby requests additional time to construct the facilities authorized by the Report and Order, Amendment of Section 73.202(b), Table of Allotments, RM-8023, MM Docket No. 92-149, released October 26, 1992.

The Report and Order was issued in response to, and granted a petition for rulemaking filed by Alpha Broadcasting, Inc. which requested that Channel 286C1 be substituted for Channel 286C2. The Report and Order amended the Table of Allotments accordingly, effective December 10, 1992, and directed Alpha to file a minor modification of construction permit application within 90 days of the effective date of the Report and Order. According to Alpha's calculations, the effective date of the Report and Order is March 10, 1993.

Alpha requests an additional two months, or until May 10, 1993, to file a minor modification of construction permit application specifying the Channel 286C1 facilities. Alpha has recently been approached by a prospective purchaser of the construction permit. Both Alpha and the prospective purchaser are in the process of considering the prospective purchaser's interest in the facilities. The additional two months is requested in order to give both parties sufficient time to reach informed judgments about the direction each party wishes to take with respect to the station.
